EXPERIENCE

25th Aug 2023 - 25th Sept 2023 **CodSoft Internship**

Web Developer Intern

This internship was an educational opportunity for me to develop new skills and gain hands-on knowledge. During this internship, I have deep-dived into new technologies, explored innovative solutions, gained industrial experience, and tackled challenges head-on with an open mind and a strong work ethic.

5 May 2023 - 7 May 2023 **SheHacks Hackathon**

Team size-3

Took part in the SheHacks hackathon conducted by IIIT Allahabad. During this me and my teammates created a project "HelpX" a platform for women's and children's safety by generating emergency alerts and we also got selected in the top 8 teams.

2 Aug 2022 - 10 Sep 2022 **IBM Summer Training On Machine Learning**

Completed my IBM training for 90 hours on data science and machine learning. During this training, I gained knowledge of Python learned various concepts of Machine Learning and deep-dived into various algorithms. During this training, I have also created a project on heart stroke prediction.

TechStack: HTML5, CSS, Javascript, Machine Learning, Python, Flask

Project Link: <https://rashmigourh.github.io/findLife/>

VoyageVista- Travel website

VoyageVista is a travelling responsive website which enables our users to log in and see various destinations through customised cards and also provides various services and reviews from different customers.

Skills: HTML5, CSS, Javascript

Project Link: <https://rashmigourh.github.io/VoyageVista/>

Responsive Calculator

Inbuilt responsive calculator with a beautiful background theme which performs various basic arithmetic operations along with some advanced calculations like factorial, log values, angles in radian and degrees along with trigonometric functions like sin, cos and tan.

Skills: HTML5, CSS, Javascript

Project Link: <https://rashmigourh.github.io/Calculator/>

LEADERSHIP SKILLS

Ex-Vice President Of Avant Garde

As vice president of Avant Garde-ADGIM (an art society), led a society of 70+ dedicated members, managing and overseeing all the department workings, events, and initiatives, and ensuring the successful execution of various events, workshops and art walks.

Ex-Content Department Head

As the leader of the content team, I had the privilege of guiding a talented group of people in my society under my leadership skills. Through effective communication and strategic planning, we consistently delivered high-quality content for our society posts, for any events or competitions that engaged our target audience and increased our society reach.
